## Tape Reading & Market Tactics

by Humphrey B. Neill  
\$13.50  
ISBN: 1-59280-262-1  
Item # 5026362

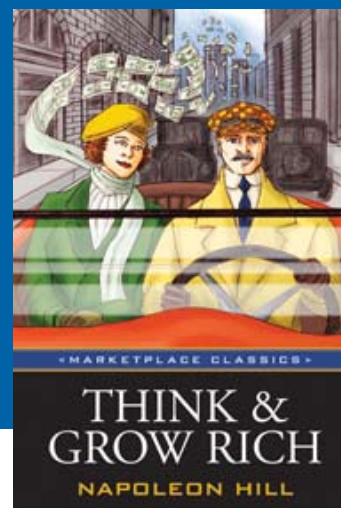

Published in 1931, this classic work remains the benchmark in tape reading and price and volume analysis in speculation. *Tape Reading* is a testament to the real genius of Neill and his grasp of human nature. A true pioneer in contrarian thinking, Neill is steadfast in his advice to break away from the unknowing and invariably unsuccessful public: "Beware of the crowd. When everyone thinks alike, watch out. They're probably wrong."

## The ABC of Stock Speculation

by S. A. Nelson  
\$13.50  
ISBN: 1-59280-263-X  
Item # 5026363

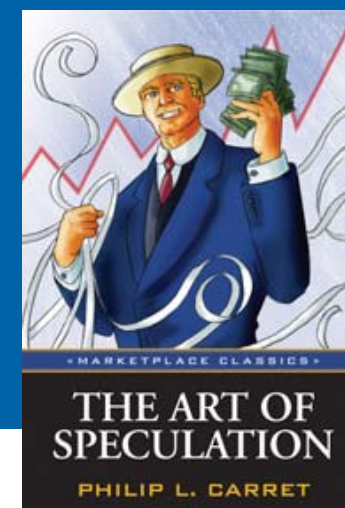

Published in 1903, *The ABC of Stock Speculation* is a landmark achievement for the profession of stock speculation. This book not only established our modern view of the fundamentals of speculation, it did so through the precise and insightful writings of Charles H. Dow, coined in this book as Dow's Theory.
