Key Accomplishments and Outlook

Replicable and profitable M&As

坏球 GEDU 教育.org

- Acquired Global Education in 2017
- M&As are not hindering revenue growth

Puxin Pre-IPO P/S ratio: 0.7

 Puxin's future development shall be led by internal growth, driven by M&As and

supported by "Online-Merge-Offline"

strategy.

 OMO: expand city coverage, leverage dual-teacher mode and penetrate to lowertier cities with online group classes.

 K-12-oriented M&A strategy continues to prevail.

• Future revenue proportion (2021):

K-12 vs. study-abroad services:

~80% vs. 20%

Puxin IPO P/S ratio: 1.1

3Q2019 was a milestone as Puxin's overall business, including study-abroad services, achieved the first positive quarterly operating margin.

2019

 Profitability of both K-12 and studyabroad services will improve in 2020.

Key Reasons for Puxin's Accomplishment

Deep understanding of education market segments and regulations in China

Pre-school education

 Pending improvements in regulations, yet leading players might dive into pre-school education segment. K-12 after-school tutoring

- K-12 schools, showing strong growth momentum, are M&A priorities for Puxin.
- Organic internal growth was secured by implementing PBS system.

Private high-school education

- High entry barrier for education service providers though the outlook is quite promising.
- Subject to education industry policies - Puxin has a very small portion of business.

Higher education

 Puxin has a minor portion of online higher education services thus the company is relatively immune to policy changes.

Puxin's Market Share and Consolidation Opportunity

After-School K-12 Tutoring Market Size (Revenue)

(RMB billion)

Puxin's Business Model

Strong acquisition capability

- Standard and efficient selection process
- Successful track records

Good reputation attractive to institutions with intention to sell their businesses

Synergies to drive the growth

Excellent integration capability

- Integration starts in the due diligence stage
- Completion of the standardization process in a short time
- Sufficient reserve of talents

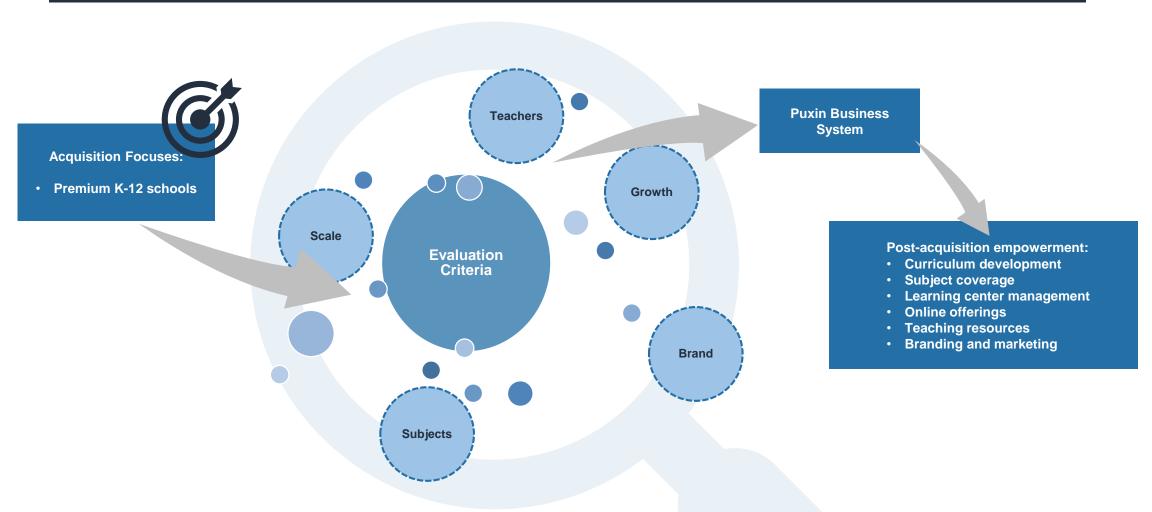

Market consolidation opportunities

- Leaders experienced faster growth than the industry
- Plenty of valuable small institutions face operation difficulties and want to exit

K-12 M&A Targets and Screening Criteria

Screening Criteria: Market Scale / Regional Top / Rapid Growth / Subject Advantage / Teacher Advantage

Puxin Business System Empowers the Acquired Schools
