Q1 2023 INVESTOR PRESENTATION

May 4, 2023

Important Notice: Forward Looking Statements

This presentation may contain “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. You should understand that under Section 27A(b)(2)(B) of the Securities Act of 1933, as amended, and Section 21E(b)(2)(B) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995 do not apply to forward-looking statements made in periodic reports we file under the Exchange Act.

The information disclosed in this presentation is made as of the date hereof and reflects Hercules’ current assessment of its financial performance for the period reported. Actual financial results filed with the Securities and Exchange Commission in the future may differ from those contained herein in the event of additional adjustments recorded prior to the filing of its financial statements.

This presentation may contain forward-looking statements. These forward-looking statements include comments with respect to our financial objectives, loan portfolio growth, strategies and results of our operations.

However, by their nature, these forward-looking statements involve numerous assumptions, uncertainties and risks, both general and specific. The risk exists that these statements may not be fulfilled. We caution readers of this presentation not to place undue reliance on these forward-looking statements as a number of factors could cause future Company results to differ materially from these statements.

Forward-looking statements may be influenced in particular by factors such as fluctuations in interest rates and stock indices, the effects of competition in the areas in which we operate, and changes in economic, political and regulatory conditions. We caution that the foregoing list is not exhaustive.

When relying on forward-looking statements to make decisions, investors should carefully consider the aforementioned factors as well as other uncertainties and events. This presentation should be read in conjunction with our recent SEC filings.

Historical results discussed in this presentation are not indicative of future results.

Why Hercules is Different from Other BDCs

We invest in innovative venture growth-stage companies

What We Don't Do

- No direct oil and gas exposure
- No CLO exposure
- No CMBS or RMBS exposure
- No metals or minerals exposure
- No crypto or cannabis exposure

Internally Managed

- Shareholder-aligned management structure
- Not incentivized to grow AUM for base fees
- Not subject to AFPE

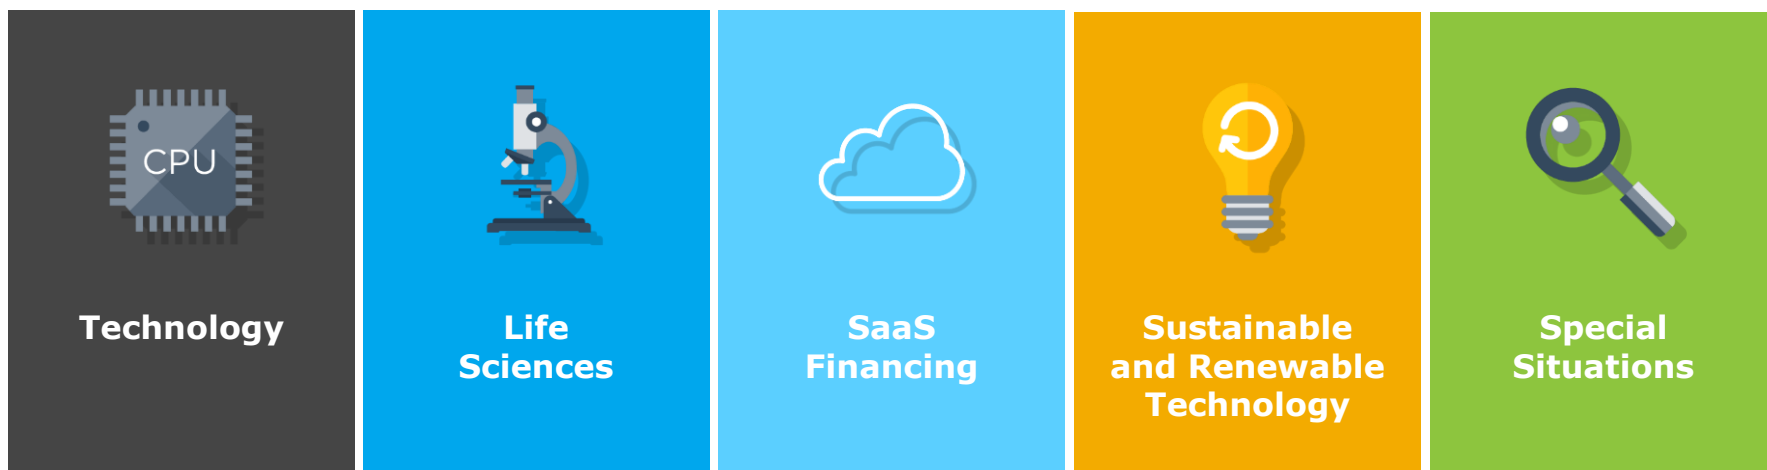

What We Do

- We focus primarily on pre-IPO and M&A, innovative high-growth venture capital backed companies at their expansion (venture growth) and established stages in a broadly diversified variety of technology, life sciences and sustainable and renewable technology industries
- Highly asset sensitive debt investment portfolio – 95.6% floating rate loans and with interest rate floors⁽¹⁾
- We are generally the only lender and 81.5% are "true" first lien senior secured⁽¹⁾
- 16.5% of our debt investments are second position senior secured of which approximately 95% Hercules has the right to buy out the first lien holder⁽¹⁾
- The majority of our debt investments include warrants for potential additional total return
- Generally our debt investments have short term amortizing maturities (36-48 months)
- Focused on strong and sustainable shareholder returns
- Disciplined, proven investment philosophy with over 18 years of strong credit performance history

(1) As of March 31, 2023

We are at Center Stage of the Innovation Economy

Hercules has domain expertise in five specialized lending groups
“We are not generalists”

- We Invest at the Expansion “Venture Growth” and Established Stage
- \$16.1 billion in total net debt commitments to over 600 companies since inception
- Offices in key venture capital markets: CA | MA | NY | DC | CT | UK
- Over 1000 different VC & PE firms, financial investors
- Over 240 portfolio companies completed/announced an IPO or M&A event since inception
