

DISCLAIMERS

This presentation contains forward-looking statements regarding possible or assumed future results of the business, financial condition, plans and objectives of Ladder Capital Corp and its subsidiaries and affiliates (collectively, "Ladder Capital," "Ladder," "LADR," or the "Company"). Any statement concerning future events or expectations, express or implied, is a forward-looking statement. Words such as "may," "will," "seek," "should," "expect," "anticipate," "project," "estimate," "intend," "continue," or "believe" or the negatives thereof or other variations thereon or comparable terminology are intended to identify forward-looking statements that are subject to risk and uncertainties. Such risks and uncertainties include, among others, the impact and aftermath of the COVID-19 pandemic and the responsive measures implemented by various governmental authorities, businesses and other third parties, and the risks and uncertainties discussed in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, and its other filings with the U.S. Securities and Exchange Commission. There can be no assurance that any expectations, express or implied, in a forward-looking statement will prove correct or that the contemplated event or result will occur as anticipated. In particular, there can be no assurance that Ladder will achieve any performance objectives set forth in this presentation. Further, any forward-looking statement speaks only as of the date on which it is made. New risks and uncertainties arise over time, and it is not possible for Ladder to predict those events or their effects on the Company. Except as required by law, Ladder is not obligated to, and does not intend to, update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

This presentation is strictly for informational purposes. It is not intended to be relied upon as investment advice and is not, and should not be assumed to be, complete. The contents herein are not to be construed as legal, business or tax advice, and each recipient should consult its own attorney, business advisor and tax advisor as to legal, business and tax advice.

Certain information contained herein is based on, or derived from, information provided by independent third-party sources. Ladder believes that such information is accurate and that the sources from which it has been obtained are reliable. However, Ladder cannot guarantee the accuracy of such information and has not independently verified the assumptions on which such information is based. All data is presented as of June 30, 2022, unless otherwise indicated.

This presentation includes certain non-GAAP financial measures. These non-GAAP financial measures should be considered only as supplemental to, and not as superior to, financial measures prepared in accordance with GAAP. Please refer to the Appendix hereto and the Company's June 30, 2022 Form 10-Q filing for a reconciliation of the non-GAAP financial measures included in this presentation to the most directly comparable financial measures prepared in accordance with GAAP.

CORE COMPETENCY: CRE CREDIT UNDERWRITING

Three complementary, synergistic products within a relative-value, risk-adjusted return investment approach

Portfolio Allocation Across CRE Capital Stack

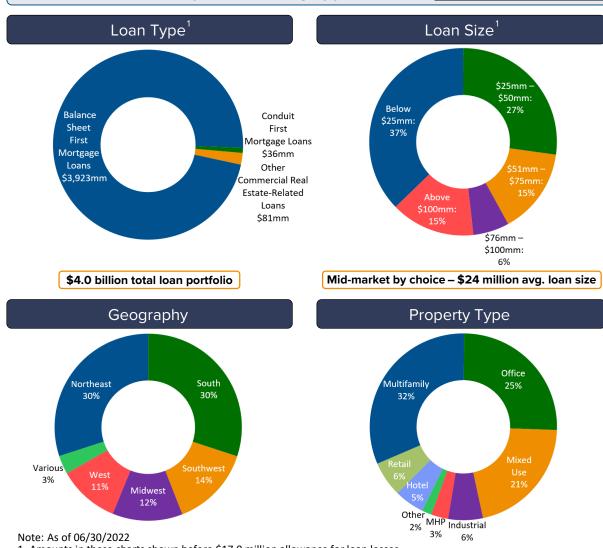

- Invest in short-dated investment grade securities secured by senior commercial real estate loans
 - \$617 million portfolio with \$6.0 million average CUSIP size
 - 98% investment grade-rated; 85% AAA-rated or agency-backed
 - 1.2-year weighted-average duration
 - Source of liquidity given short duration and investment grade credit ratings
- Primary business of originating senior first mortgage loans secured by commercial real estate
- \$4.0 billion of predominantly first mortgage loans with middle-market focus
- 67% weighted-average LTV
- ~1.5-year weighted-average duration to initial maturity
- Actively originate balance sheet and conduit first mortgage loans, and selectively originate mezzanine loans
- Acquire real estate with emphasis on net leased properties
 - \$1.0 billion (undepreciated asset value); ~6.2 million square feet; 167 properties
 - 65% net leased with 10-year average remaining lease term; focus on necessity-based businesses (including BJ's, Walgreens and Dollar General)

DIVERSIFIED & GRANULAR SENIOR SECURED LOAN PORTFOLIO

Disciplined lending approach with middle-market focus and national footprint

Other Key Loan Portfolio Metrics

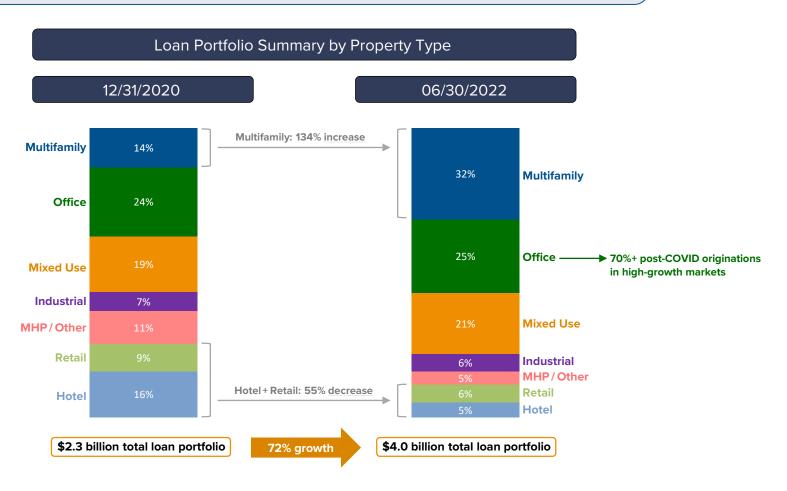

- √ 80% of loans on balance sheet comprised of post-COVID originations
- 98% senior secured first mortgage loans
- √ 67% weighted-average LTV on total loan portfolio
- ~1.5-year weighted-average duration on balance sheet first mortgage loans
- ✓ Diversified, granular portfolio with <\$25 million average loan size
- Focus on lightly-transitional loans
- No construction loans
- √ 90% of balance sheet loans are **floating-rate** with interest rate floors

- 1. Amounts in these charts shown before \$17.0 million allowance for loan losses
- 2. Includes mezzanine and subordinate loans

LOAN PORTFOLIO MIGRATION

- **√** 80% of loan portfolio comprised of post-COVID originations
- √ 72% loan portfolio growth since end of 2020
- √ Shift in property type exposure towards more multifamily and less hotel & retail

Attractive dividend yield & valuation discount

versus undepreciated book value per share

APPENDIX

COMPANY INFORMATION

Ladder is an internally-managed real estate investment trust (REIT) that is a leader in commercial real estate finance. Ladder originates and invests in a diverse portfolio of commercial real estate and real estate-related assets, focusing on senior secured assets. Ladder's investment activities include: (i) direct origination of commercial real estate first mortgage loans; (ii) investments in net leased and other commercial real estate equity; and (iii) investments in investment grade securities secured by first mortgage loans on commercial real estate. Founded in 2008, Ladder is run by a highly experienced management team with extensive expertise in all aspects of the commercial real estate industry, including origination, credit, underwriting, structuring, capital markets and asset management.

INVESTMENT & RISK MANAGEMENT PROCESS

Separate departments function as "check & balance" on internal processes

- √ 16 originators
- ✓ Key relationships with direct borrowers & leading brokers nationwide
- ✓ Compensation linked to loan performance, not volume

- √ 14 underwriters
- ✓ Independent from origination – leads due diligence process
- ✓ Independent appraisal and third party reports
- √ Visit every asset prior to funding
- ✓ Limited outsourcing to ensure quality and accountability

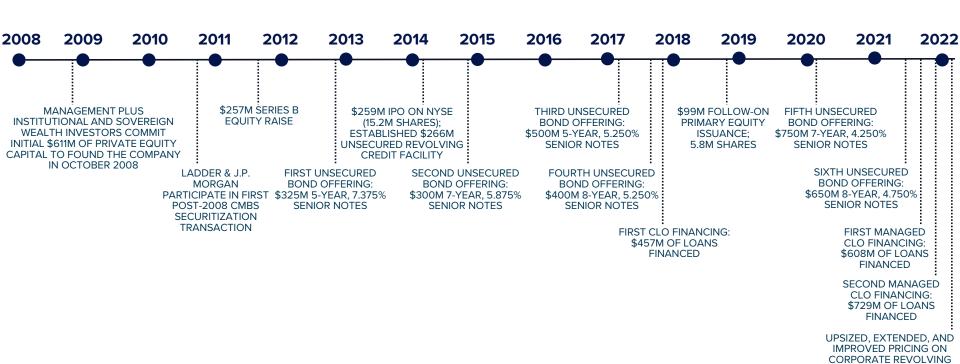

- ✓ Independent, highlyexperienced team of attorneys leads legal process and transaction closings
- ✓ Conduct legal diligence and manage outside counsel
- Oversee securitizations and asset dispositions

- ✓ Comprehensive credit committee process for every investment
- ✓ Management (with significant LADR ownership) approves every investment
- ✓ Risk and Underwriting Committee of the Board approves investments above certain size thresholds

- ✓ Maintain direct dialogue with loan servicers and borrowers
- Proactively manage and oversee all assets
- ✓ Conduct regular formal asset and portfolio reviews
- ✓ Provide comprehensive quarterly reporting

SELECTED DEFINITIONS

Adjusted Leverage Ratio (non-GAAP)

 Total debt obligations, net of deferred financing costs, adjusted for non-recourse indebtedness related to securitizations that is consolidated on our GAAP balance sheet and liability for transfers not considered sales, divided by Total Adjusted Equity.

• After-Tax Distributable Return on Average Equity (After-Tax Distributable ROAE) (non-GAAP)

After-Tax Distributable Earnings divided by average book equity balance excluding total noncontrolling interest in consolidated joint ventures.

Distributable Earnings (non-GAAP)

- Income before taxes adjusted for: (i) real estate depreciation and amortization; (ii) the impact of derivative gains and losses related to the hedging of assets on our balance sheet as of the end of the specified accounting period; (iii) unrealized gains/(losses) related to our investments in fair value securities and passive interest in unconsolidated joint ventures; (iv) economic gains on loan sales not recognized under GAAP accounting for which risk has substantially transferred during the period and the exclusion of resultant GAAP recognition of the related economics during the subsequent periods; (v) unrealized provision for loan losses and unrealized real estate impairment; (vi) realized provisions for loan losses and realized real estate impairment; (vii) non-cash stock-based compensation; and (viii) certain transactional items.

Distributable EPS (non-GAAP)

After-Tax Distributable Earnings divided by adjusted weighted-average shares outstanding.

GAAP Book Value per Share

- Total shareholders' equity divided by Class A common shares outstanding.

Pre-Tax Distributable Return on Average Equity (Pre-Tax Distributable ROAE) (non-GAAP)

Distributable Earnings divided by average book equity balance excluding total noncontrolling interest in consolidated joint ventures.

Total Adjusted Equity (non-GAAP)

Total GAAP book equity adjusted for accumulated depreciation and amortization on real estate and related intangibles.

Undepreciated Book Equity and Undepreciated Book Value per Share (non-GAAP)

Total equity, adjusted to exclude total noncontrolling interest in consolidated joint ventures and adjusted to include our share of total real estate
accumulated depreciation and amortization. Per share information is derived by dividing the preceding amount by total diluted shares outstanding.
