NOVEMBER 2023

FORWARD-LOOKING INFORMATION & NON-GAAP MEASURES

Forward-Looking Information:

This presentation contains forward-looking information about Interfor Corporation's ("Interfor" or the "Company") business outlook, objectives, plans, strategic priorities and other information that is not historical fact. A statement contains forward-looking information when the Company uses what it knows and expects today, to make a statement about the future. Statements containing forward-looking information in this presentation, include but are not limited to, statements regarding production capacity, facility restart plans and ramp-up timelines, pro-forma capacity, expected earnings and returns, pro-forma debt ratios, liquidity, borrowing capacity, regulatory approvals and other relevant factors. Readers are cautioned that actual results may vary from the forward-looking information in this presentation, and undue reliance should not be placed on such forward-looking information. Risk factors that could cause actual results to differ materially from the forward-looking information in this presentation are described in Interfor's annual Management's Discussion & Analysis under the heading "Risks and Uncertainties", which is available on www.interfor.com and under Interfor's profile on www.sedar.com. Material factors and assumptions used to develop the forward-looking information in this presentation include volatility in the selling prices for lumber, logs and wood chips; the Company's ability to compete on a global basis; the availability and cost of log supply; natural or man-made disasters; currency exchange rates; changes in government regulations; Indigenous reconciliation; the softwood lumber trade dispute between Canada and the U.S.; environmental impacts of the Company's operations; labour disruptions; information systems security; and the existence of a public health crisis. Unless otherwise indicated, the forward-looking statements in this presentation are based on the Company's expectations at the date of this presentation. Interfor undertakes no obligation to update such forward-looking information or statements, except as required by law. The Company's independent auditor, KPMG LLP, has not audited, reviewed or performed any procedures with respect to any interim financial results and other data included in this presentation, and accordingly does not express an opinion or any other form of assurance with respect thereto.

Non-GAAP Measures:

This presentation makes reference to certain non-GAAP measures, such as EBITDA, Adjusted EBITDA and Net debt to invested capital, which are used by the Company and certain investors to evaluate operating performance and financial position. These non-GAAP measures do not have any standardized meaning prescribed by IFRS and are therefore unlikely to be comparable to similar measures presented by other issuers. Definitions and reconciliations of terms can be found in Interfor's annual and quarterly Management's Discussion & Analysis which are available on www.interfor.com and under Interfor's profile on www.sedar.com.

POSITIVE ESG & CARBON STORY

BUILDING VALUE SUSTAINABLY

Respecting Nature. Building Sustainably.

A Sustainability Strategy to Match our Growth Ambition.

Long-standing strategy of purposeful growth and geographic lumber diversification.

Commitment to growing in a way that makes the world a better place.

Dedicated ESG leader and renewed sustainability strategy rolled out in 2022.

OUR VISION & PURPOSE

Embracing a culture of sustainability excellence and world-leading sustainability practices to advance renewable wood products as part of the climate solution

OUR GOALS

Climate

Our goal is to have a positive influence on the climate and environment

People

Our goal is to develop a workforce that reflects the diversity and strengths of our communities

Safety

Our goal is that everyone returns home safely

CLIMATE - ACTIONS

Interfor recognizes the global significance of climate change and our role in tackling this important issue by reducing our own environmental impacts and advancing sustainable wood products as part of the climate solution.

KEY CLIMATE ACTIONS

GHG Reductions: Target to reduce our Scope 1 & 2 emissions 40% by 2030.

Sustainable Forestry: 100% of the forests managed by Interfor are certified.

Renewable Energy: >80% of our energy supply is from renewable sources.

Waste and Water Targets: Setting reduction targets by the end of 2023.

Climate Risk Analysis & Climate Resilience Strategies: Disclosed annually.

Infrastructure & Technology: >\$130M invested per year contributing to increased efficiency and environmental performance.

CLIMATE – OPPORTUNITIES

Building with **wood** is part of the **natural climate solution**.

Sustainable forest management, including the production of timber, fiber and energy, has been recognized by the United Nation's International Panel on Climate Change as the **largest sustained climate-mitigation benefit** over the long term.
