FORWARD-LOOKING STATEMENTS

This presentation contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (which Sections were adopted as part of the Private Securities Litigation Reform Act of 1995). Statements preceded by, followed by or that otherwise include the words "believe," "anticipate," "estimate," "expect," "intend," "plan," "project," "prospects," "outlook," and similar words or expressions, or future or conditional verbs such as "will," "should," "would," "may," and "could" are generally forward-looking in nature and not historical facts. These forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements to be materially different from any anticipated results, performance or achievements. The Company disclaims any intention to, and undertakes no obligation to, revise any forward-looking statements, whether as a result of new information, a future event, or otherwise. For additional risks and uncertainties that could impact the Company's forward-looking statements, please see the Company's Annual Report on Form 10-K, and 10-K/A for the year ended December 31, 2017, including but not limited to the discussion under "Risk Factors" "Outlook" therein, which the Company has filed with the SEC and which may be viewed at WWW.SEC.GOV

Our primary subscription is called Platform *id*, a secure cloud-based platform that efficiently and effectively helps manage the events of our customers seeking to distribute their messaging to key constituents, investors, markets and regulatory systems around the globe.

WHATS NEXT

Add on Modules

- Stock Transfer
- AGM
- Analytics Module
- Tonality Scoring
- Peer look alike stakeholder targeting

Value Driver to
Expand ARPU

20%-30% +

Investor Profiles:

Analytics and Engagement Engine
running across our entire networks that
gather the

Who. What. Where

Then our platform analyzes this data,
and begins to story board each unique
profile to match them to stakeholders
that are known or flagged to be further
identified, with the hopes of becoming
known.
